## SUMMARY

Creative Front-End Developer with 4 years of experience building user-friendly websites for different companies. I'm passionate about creating websites that are not only beautiful but also a joy to use. Skilled at bringing website designs to life and making them work on all devices..

---

## WORK EXPERIENCE

**Front End developer, Northnine Technologies** Jan 2023 - Present

At Northnine Technologies, I built user-friendly websites, collaborating with designers and developers. Skilled in project management, I ensured on-time delivery within budget. My expertise extends to creating functional web applications.

**Junior Front End developer, Pine Technologies** Mar 2021 - Dec 2023

Eager Front-End Developer seeking to leverage my skills in crafting user-friendly web experiences at Pine Technologies. Adept at translating designs into functional interfaces and collaborating effectively within a team environment. Excited to learn from experienced developers and contribute to building innovative digital products.

**Internship , at Uconnect** Feb 2020 - Jan 2021

Highly motivated Front-End Developer seeking an internship at Uconnect Technologies. Eager to contribute my skills in building user-friendly websites and collaborate with a talented team. Passionate about learning new technologies and gaining valuable experience in the industry.
